ABOUT US

Welcome to HomeCo Group, the cornerstone of practical elegance and affordability in cabinets, countertops, and sinks. As a US-based company with a strong vertical integration model, we are at the forefront of our industry, covering products research & development, manufacturing, export & import, distribution, and retail supply.

At HomeCo Group, excellence is crafted and quality is produced in our independently owned factories across Asia. These facilities are the birthplace of our premium products, which we then directly export and import to our vast distribution network in North America. With 20 strategic locations throughout California, Texas, New Jersey, Utah, Delaware, and Hawaii, we ensure comprehensive coverage and accessibility to our clients.

TEXAS Honolulu Alhambra North Hollywood

UTAH

FLORIDA Irwindale Pico Rivera Salt Lake City Orlando

DELAWARE Pennsauken

NEW JERSEY

HAWAII

Our clientele is as diverse as our product range, serving distributors, importers, builders & developers, retailers, and contractors. HomeCo Group's unique strength lies in our ability to offer personalized local assistance in the U.S. while maintaining the capability to fulfill both local and international demands. Our vertically integrated structure and ownership of manufacturing plants afford us unparalleled flexibility, control over production, and shipping schedules, guaranteeing that our clients' tailored volume orders are met with precision—whether for wholesale purposes or large-scale projects.

Discover the HomeCo difference where flexibility meets reliability, and tailored service meets global standards. We are actively looking for distributors to join its expanding supply network, inviting partners who share its vision for delivering quality products with consistent inventory.

For a deeper insight into our company and product offerings, and to explore partnership opportunities, please visit www.homecogroup.com.

A product that can withstand the test of time

HomeCo quartz a high-quality surface material, with strong durability and stain resistance, the use of natural quartz synthesis, so that it has acid resistance, stain resistance, scratch resistance, heat resistance and mold resistance, these characteristics make AS the best choice of surface materials.

HomeCo quartz combines high quality with innovation and offers unlimited color choices to bring artistry into your home
